

New Song Wizard

New Song Wizard welcomes you when you open the program, providing access to various song creation tools.

- **Create a new song with AI:** Automatically generate karaoke songs from audio tracks.
- **Synchronize lyrics manually:** Launches Power Wizard to guide you through the manual song creation process.
- **Import CD+G:** Loads CD+G files to extract lyrics and timing.
- **Remove vocal:** Removes vocals from an audio track to create a karaoke version.
- **Load one of the example songs:** Opens a folder containing sample songs.
- **Continue without a wizard:** Returns to the main program window.

Revision #3
